

NCR Voyix Appoints New Leaders for Its Restaurants and Digital Banking Businesses

February 20, 2024 at 9:00 AM EST

ATLANTA--(BUSINESS WIRE)--Feb. 20, 2024-- NCR Voyix, a leading provider of technology solutions, is pleased to announce the appointment of Benny Tadele and Brendan Tansill as executive vice president and president of the company's Restaurants and Digital Banking businesses, respectively. Tadele and Tansill report to NCR Voyix CEO David Wilkinson and are members of the company's Executive Leadership Team.

Benny Tadele brings a wealth of experience to his new role at NCR Voyix. Previously, he served as the EVP and head of North America for ACI Worldwide, where he successfully transformed the organization's approach to market engagement. Tadele's leadership was instrumental in implementing SaaS models that not only enhanced customer value but also drove revenue growth. Prior to his time at ACI, Tadele spent six years at S1 Corporation. He holds a Bachelor of Science and a master's degree in computational science and engineering from the Georgia Institute of Technology.

Brendan Tansill has an impressive background in leading technology businesses. Prior to joining NCR Voyix, Tansill served as President of the Americas of EVO Payments, Inc., a Nasdaq-listed financial technology company. Tansill drove growth at EVO through partnerships with leading global financial institutions and expanding product offerings to include software solutions. Additionally, he played a key role in overseeing global mergers and acquisitions and corporate strategy. Tansill's previous experience as a private equity investor further strengthens his strategic mindset. He earned a Bachelor of Arts from the University of Virginia and a master's degree in business administration from the Kellogg School of Management at Northwestern University.

"Benny and Brendan are dynamic business leaders with established histories of delivering revenue growth and organizational effectiveness," said Wilkinson. "I am delighted to welcome them to NCR Voyix. Additionally, we would like to thank Frank Hauck for his contributions to the company during his six-year tenure. Under his leadership, we pioneered innovative digital-first strategies, ensuring financial institutions remain at the forefront of digital banking, delivering exceptional customer experiences."

NCR Voyix's restaurants division is a leading provider of point of sale software, catering to eight of the top 10 global restaurant chains alongside small- and medium-sized establishments. Additionally, the Digital Banking division serves credit unions, community and regional banks, and has the largest user footprint among independent digital banking providers.
